

## **Taunton Singles Ladder**

***If you'd like to play more singles, why not join our ladder?***

***It's free and open to anyone. The matches are played at Blackbrook Leisure Centre unless both players agree to play elsewhere.***

### ***Rules***

1. You can challenge people up to four places above you in the ladder.
2. We play the best of three sets. The third set can be a tiebreak to 10 if agreed by both players (especially if you're running out of court time).
3. Both players should bring a good set of balls.
4. If the challenger wins, he/she goes above the player, and the latter moves down one place, as does any player between them in the ladder.
5. ***A match must be played within two weeks of a challenge. If it is not, the challenger moves above the player challenged.***
6. Results between players of the same gender with ratings will be submitted to the LTA.
7. The organiser will email out the results and current standings each week (if any matches have been played), put them on the noticeboard by the door to the main tennis hall and publish them at <https://www.tauntontennisclub.co.uk/competitive-singles.html>.
8. A new player joining the list can challenge whoever they want. If they win, they join the ladder at that point. If they lose they start at the bottom with a first challenge of up to five places above them.
9. If these rules are found not to be doing the business, they will be amended.

***To join, please send an email to [tauntontennis@gmail.com](mailto:tauntontennis@gmail.com).***
